Thermometer with solar screen without battery

Thermometer sunscreen:

Power by solar energy, large LCD display

Technical Data:

Temperature measurement: -20 to 80 ° C

Resolution: 0.1 ° C

Accuracy: ± 1 ° C

Level of sealing: sealing complete

Probe length: Two meters

Operating temperature: 0 to 60 ° C

Size:

Cutting: 59.5 x 26 mm

Product Size: 66 x 30 x 11.6 mm

Display size: 24 x 14 mm
